

Lessons from my worst complication

Tuesday 20th May, 2014

15:20 - 16:50

Complications

Room 242AB

With the collaboration of the Argentinian College of Interventional Cardioangiologists (CACI) and the Atheroma Coronary and Interventional Cardiology Group (GACI)

Attend this session if you want:

- * To share experience in the prevention and treatment of complications
- * To understand the contributing factors leading to complications
- * To learn how to optimise selection of patients and lesions in order to reduce the risk of complications

Chairpersons: *R. Koning, E. Torresani*

Panellists: *J. Belardi, O. Darremont, H. Le Breton, O. Mendiz*

15:20 - 15:23	Introduction and objectives - E. Torresani
15:23 - 15:31	When one stent is hooked up to another one and you can not separate them! - M. Pansieri
